

# formission

## Pastor's Top 10 Next Steps...

1. Become familiar with the [formission.org](http://formission.org) website
2. Follow us on Twitter (@ForMissionOrg) or Facebook (ForMissionOrg)
3. Choose a Sunday to present the initiative to your congregation
4. Be enthusiastic to inspire participation in stage one: MyHealth – Let's get healthy together!!
5. On the Sunday you present, be sure to have the congregation pray for the initiative
6. Encourage congregants to check out the website as well
7. Distribute the special edition of the Good Tidings
8. Download the formission Powerpoint Presentation
9. Ask the congregation for suggestions for an ADVENTure project
10. Stay tuned for exciting info and updates in 2015!

## Did you miss the launch?

We realize that some of you were not in attendance at the Fall Conference and may feel uninformed and ill equipped to present this initiative to your congregations.

It is especially important for you to check out the website [formission.org](http://formission.org) and listen to the podcasts under 'media' which explain this initiative. Currently there are 3 podcasts and listening to episodes 2 & 3 will benefit you greatly.

Also, if you have any questions that are not answered in those podcasts, you can contact Dean Brenton or any other member of the Discipleship Commission.

## Stage 1: MyHealth

We are committed to building a disciple making community, and we believe it begins with improving the health of our leaders. For this initiative to succeed each of us need to be committed to the process. Let's begin!

- First and foremost let's pray for the Spirit's guidance.
- Sign-up for the podcasts (go to [formission.org](http://formission.org) – media – podcasts for instructions).
- Order and read one of the recommended books from the website.
