H3 Leadership: Be Humble, Stay Hungry, Always Hustle (Brad Lomenick)

Lomenick writes from his personal perspective, which includes extensive leadership experience. He categorizes 20 essential leadership habits organized into three distinct filters he calls “the 3 Hs”: Humble (Who am I?), Hungry (Where do I want to go?) and Hustle (How will I get there?).

Lomenick helps the reader with this immensely practical book. It is easy to read while providing solid leadership content. Lomenick’s 20 leadership principles are an asset to any leader.

“I would rather fail at pursuing my calling with courage and passion than succeed at something that doesn't really matter.” - Brad Lomenick

3C Presbyteries

Healthy leaders in healthy churches building a healthy movement is not only the heartbeat of Formission, it is also the goal of the presbytery restructure. More than a structure change, this is a strategic alignment of the mission, vision, values, and initiatives of the PAONL.

3C Leadership will allow the presbyteries to become more relationally connected, efficient in ministry, and effective in mission. This will be accomplished through the four themes of Formission:

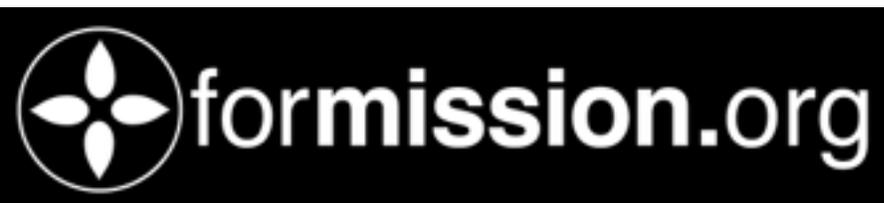

My Health: Providing opportunities for personal and leadership development.

Mutual Health: Strengthening relationships through connection groups.

Ministry Health: Creating cohorts of pastors who will work together cooperatively in specific ministry areas.

Missional Health: Initiating catalytic and strategic events that are geographically specific.

You’ve all had opportunity to participate in a 3C experience at this year’s regional summits and it’s just a taste of how the new model will help facilitate our growth as leaders, as well as streamline our presbytery gatherings.

Webinar

The Commission on Discipleship is in the planning stages of developing a Formission Webinar series! A webinar is basically a seminar that you log into on the Internet. It is often interactive and the information is specific to a particular group of people. We are planning topics of interest that you

won't want to miss. If you have suggestions for topics relevant to the themes of Formission, please contact us. Stay tuned for more information!

The Commission on Discipleship would like to announce a new position entitled Director of Formission. The work of the Discipleship Commission at this juncture is too extensive to be adequately covered by volunteers and part-time positions. Given the variety and scope of projects waiting to be developed, full-time attention must now be given to their implementation, and the continual advocacy of discipleship within the ministries of the PAONL. Stay tuned for the job advertisement and further details.
