

PRAY

Ask the Holy Spirit to empower your creative process as you choose the people to come alongside in mission and begin to dream about what God wants to do in your communities. Pray for those who will be blessed by your ministry. #MyHealth

PLAN

Gather your ministry team, whether that is your board, mission committee, or just a group of individuals who have a heart for mission. Decide **who** your mission will be, what group of people you'd like to engage with gospel ministry, and plan an event together. #MinistryHealth

PROMOTE

Get your whole church involved by announcing and sharing passionately about your initiative(s). Bring alongside friends in the community who are like-hearted. #MutualHealth

PRODUCE

Share the Good News of the Gospel with your actions and words as you do ministry, and share what God is doing in your community in the Facebook Group. #MissionalHealth

ADVENTure 2018

We're challenging every church to find ways to join the ADVENTure! The call is for your church to look for opportunities to bless your community, make the necessary plans, and put those plans into action. God will bless your initiatives and the PAONL family, through the Formission Movement, will be a powerful force of hope and love in our province.

Every congregation should get involved, but the challenge is also extended to various ministry departments in local churches: youth and children's ministries, women's and men's ministries, 50+ groups, small groups, etc. How can we extend the impact? By getting as many people as possible involved! Also, don't forget to [#ShareTheAdventure](#)

Regional Summits Postponed

Due do unforeseen circumstances, Regional Summits have been postponed until the New Year. We are encouraging Presbyters and pastors, in the meantime, to feel free to contact us with questions about the 3C Presbytery Model. We would love to see every pastor enjoying fellowship with others through Connection Groups and intentionally planned fellowship events this Christmas Season. Let's be especially generous with our time for each other!
